**REEL IS HONORED TO SCREEN** the movie *Left Behind* on Tuesday, Sept. 9. This is an inspiring story of a group of determined moms who band together to create the first public dyslexic school in the largest school district in America, New York City. After the screening of *Left Behind* - join REEL for a powerful panel conversation. Together, they'll explore why dyslexia is often misunderstood or missed entirely in 2e (twice-exceptional) learners, how traditional identification methods fall short, and what kinds of supports truly help these students thrive. This

discussion will help you better understand the complexity—and the potential—of dyslexic learners. The movie will play from 6:30pm-7:45pm, followed by the panel discussion 7:45pm-8:30pm. RSVP for the screening by visiting REEL website at [www.reel2e.org](http://www.reel2e.org).
